

## The Miah Family Welcomes You to St Aubin About Us

Noya Shapla is more than a restaurant — it's a story of heritage, passion and timeless flavour. Our journey began in 1965, when Mr Labas Miah, a respected and visionary local, arrived in Jersey with a dream: to share the authentic tastes of Indian and Bangladeshi cuisine with the island's community. In 1968, he opened one of the island's very first Indian restaurants, delighting locals with exotic spices and heartfelt hospitality. For decades, Mr Miah's dedication to excellence earned him a cherished place in the hearts of diners. His commitment to quality and care was not just a business philosophy, but a family tradition — one that he proudly passed on to his son, Mr Joe Miah. Growing up immersed in the aromas of his father's kitchen, Joe learned every detail of the craft, from mastering the recipes to upholding the family's renowned standard of service. Today, Joe carries that legacy forward with Noya Shapla — a modern tribute to his father's vision, blending time-honoured recipes with contemporary sophistication. Each dish is a celebration of authenticity, prepared using only the finest ingredients and infused with the warmth and spirit of true family hospitality.

Perfectly situated in the heart of St Aubin, Noya Shapla offers more than exquisite cuisine — it offers an experience. From its elegant surroundings and scenic views to the inviting atmosphere that welcomes every guest like family. Noya Shapla is the perfect setting to unwind, have fun and celebrate any special occasion. Create lasting memories, you'll want to relive again and again. Our talented chefs and dedicated team go above and beyond to meet your needs, ensuring that every visit is truly unforgettable.

For those wishing to enjoy our flavours beyond the restaurant, we proudly offer collection, free island-wide delivery and bespoke outdoor catering — bringing our signature dishes and hospitality directly to your chosen venue or the comfort of your own home. Come, savour the legacy of three generations — where tradition meets refinement and every plate tells a story.
